Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. **Love never fails...**

You are an Ambassador for Christ

We are Christ's ambassadors, and God is using us to speak to you. We urge you, as though Christ himself were here pleading with you, "Be reconciled to God!"
2 Corinthians 5:20

Chaplains represent the kingdom of God. An ambassador is an official representative from one country to another. As believers, we are Christ's ambassadors, sent with his message of reconciliation to the world. An ambassador of reconciliation has an important responsibility. We dare not take this responsibility lightly.

Chaplains represent God. God called Moses his ambassador. An ambassador represents another country, another type of people, and often another point of view. We are each God's ambassadors—representing to the world that Christians are a different kind of people with a different lifestyle. Much of the world knows nothing about God except what it sees in the lives of God's people. What kind of God would they think you represent? Taking note of how you come across to others gives you a good indication of how well you are representing God.

Chaplaincy

A Foundation Built on JESUS, The HOLY SPIRIT, The HOLY BIBLE, and LOVE

Because of God's grace to me, I have laid the foundation like an expert builder. Now others are building on it. But whoever is building on this foundation must be very careful. For no one can lay any foundation other than the one we already have—Jesus Christ. Anyone who builds on that foundation may use a variety of materials—gold, silver, jewels, wood, hay, or straw. But on the judgment day, fire will reveal what kind of work each builder has done. The fire will show if a person's work has any value. If the work survives, that builder will receive a reward. But if the work is burned up, the builder will suffer great loss. The builder will be saved, but like someone barely escaping through a wall of flames.

Don't you realize that all of you together are the temple of God and that the Spirit of God lives in you? God will destroy anyone who destroys this temple. For God's temple is holy, and you are that temple.

1 Corinthians 3:10-17 NLT

CCE records are used to provide evidence of completion of continuing education requirements mandated by the Dream City Church certification board.

To maintain your Dream City Church Chaplain Certification status each year, you must receive 12 credit hours of class study or participation in an authorized event. One hour of credit per hour of participation, not including travel time or time to do a report. Possible ways to receive those credits:

Field Trips, one hour of credit per hour of participation, not including travel time or time to do a report of the Field trip. A one page report is required. *See Required Class Report Information.*

Retake any of the 15 Internship classes. One hour of credit per hour of participation, not including travel time or time to do a report of the class. A one page report is required. *See Required Class Report Information.*

Picnic / Fellowship events will be held 2 – 3 times a year. Maximum 2 credits will be given for each authorized event. A one page report is required. *See Required Class Report Information.*

Every event requires you to turn in a report. No report! No credit!

The Badge dates and the CCE program start January 1st and expire December 31st of each year.

The badges will be given out during the annual Chaplain graduation event held in first or second week of November each year. We must receive at least 12 CCE credits and all your reports including your special event reports and your fees by October 31st.

RETAKE INTERNSHIP CLASSES

See class schedule on pages 9 to 10. You will be required to take notes on the videos and the class discussion. **Helpful hint:** watch the video before the class from your intern text book and go over your original notes. REQUIRED CLASS REPORT INFORMATION

These three quests should be included in our daily lives:

1. To know the voice of Jesus.
2. To be obedient to Him.
3. To dwell in His presence.

Keeping these 3 quests in mind when you are doing the Chaplain Continuing Education program. Answer one or more of the following questions in a one page report.

1. What did Jesus say to you in this class?
2. How will you obey Him?
3. How will this help you to dwell in His presence?

All reports should be turned in within one week from when you took the class or attended an outside event, if possible.

The next four lessons are from Fire On The Mountain, “THE PATH” a book by Rick Joyner. This is a Prophetic Allegory illuminating some of the most important truths of our times.

Allegory - Def. The expression by means of symbolic actions of truths. A symbolic representation.

Prophetic - Def. Foretelling events.

LESSON 8

Chapter 1 **The Voice**

“I am the Voice that cries in the wilderness,” he said as he stepped out of the forest so close that I could not believe I had not seen him. Then he continued as if he had heard my thoughts

Chapter 2 **The Call**

Loving God is the highest purpose of man, and those who love are transformed and translated into the heavenly realms of God.

Chapter 3 **The Choice**

“As great as it was to be on that cruise ship, my heart was empty, and I was getting emptier. I saw good people drifting, beginning to do things that should not be done. I knew that if I did not leave that cruise ship very soon I never would. Then I would live a life of compromise and defeat. I think this was my last call regardless of how much time the world has.”

Chapter 4 **The Path**

“It is those who are dying daily that are the most alive. This living water is the sweetest to them and the most powerful. Death is the path to true life, and dying to self is how we stay on the path of life.

LESSON 9

Chapter 5 **The Test**

“This wilderness is beautiful, but deadly. It will try to kill you any way that it can, and it has a lot of ways to do it. If it does not kill you it will seek to have you turn back. As frightening as this wilderness can be fear will lead you into its traps, so fear can never become our guide. We must learn not to allow fear to control us or influence our decisions. We must use every fear that comes upon us as a chance to resist it and to grow in faith. We will have a chance to do this every day, and every day that we stay the course we will become stronger in the Lord.

Chapter 6 **The Teacher**

“The way He became my Teacher was that after I prayed and asked Him to teach me about something, He would teach me in unique ways that I came to recognize as His ways. Someone might give me a book or a recorded message that would have the answer to a question, but I knew it was the Lord Himself giving it to me. At other times, I would feel compelled to watch a movie or television show, and it would have the answer to my question. Even though my answer may have been spoken by a character in the show I knew it was the Lord Himself answering my question. So I was not just hearing the words of the Lord, I learned to hear the Word Himself through whomever He chose to speak or by whatever means.

Chapter 7 **The Life**

“Truth that is life is truth that is lived,” he continued. “As you live what you learn, your words will have the power of life. You will not just teach the truth, but you will impart a love for the truth when it is your life.

Chapter 8 **The Challenge**

The next morning we drank and again sat to pray together and review our purpose for the day. We reviewed our three main purposes and challenged the group how we might make the most of our day, even if we had no lion attack, no visit from Elijah, or no other drama . The Lord’s presence was very real. It was hard not to just want to sit there all day, but we began walking down the path.

LESSON 10

Chapter 9 **The Leader**

“My reason for being transparent is because I was given a job to do— to get this group through this wilderness. They will only make it by their faith in God, not me . I know there is a certain trust they must have in me as God’s provision for them at this time , but my goal is to get them to the place where they do not need me. I want to get them there as fast as I can. I want them to make it, even if I do not make it.”

Chapter 10 **The Seekers**

“What is the greatest thing you have ever learned in a wilderness?” another asked.
“Learning that we can all be as close to God as we want to be. It was in the wilderness that God’s first dwelling place among men was built. It is in the wilderness that we are made into His dwelling place. Where He is, is heaven, so building Him a place to dwell with us can turn any wilderness into part of heaven. The worst place on earth will be heaven if He is there. This is our ultimate purpose—to bring heaven to earth— and we do this by building Him a place everywhere we go.”

Chapter 11 **The Reason**

“There is a true and a false church, both of which are prophesied in the Scriptures, and both of which we have all around us ,” I answered. “There is true and false with almost everything: true and false apostles, true and false prophets. We are even warned about ‘false brethren.’ The wheat and tares are mixed together now and will not be separated until the end. Learning to distinguish between the wheat and the tares is part of our curriculum. Learning to discern between the true and the false church is part of our curriculum.”

LESSON 11

Chapter 12 **The Turning**

“I did not go to them just to try to get them engaged with the rest of the group. We do need them. They are critical to all of us making it through this wilderness . To make it we need everyone in the right place doing what they were called to do.

Chapter 13 **The Shepherd**

“It is the foundation of a shepherd’s life. You will only lead and care for His people well if you are walking with the Lord and getting ever closer Him. When you stop getting closer to Him you will begin to fail in your leadership of His people, because your purpose is to lead them to Him. He is their green pasture. He is their living water. He is their rest. He is their life,” Enoch explained.

Chapter 14 **The Prophet**

“Some of the greatest to ever walk with God are either on this path or soon will be. The best part is not just getting to know Elijah and Enoch, but we will know the God of Elijah, the God of Enoch, the God of David, the God of Moses—the same God all of the great ones who walked this earth knew and served. Who could have even dreamed of a life like this?” Mark said echoing my thoughts.

THE MAKING OF A CHAPLAIN

We believe that love
is shown through our
actions, not
just words

Chaplains are an extension of the local church **reaching into our community** providing spiritual care.

Chaplains are full of love and passionate about taking the gospel to some of the most over looked places in our society.

Chaplains minister in soup kitchens, corporations, disaster areas, prisons, public safety agencies, hardcore motorcycles rallies, AIDS hospices, nursing homes, truck-stops, and rodeos, airports, senior living and much more.

Chaplains like to blend in with those to whom they minister. They aren't looking for accolades, they are looking for souls to win for Jesus Christ. It's really a WAY OF LIFE. They are full of compassion, sensitive and caring, devoted to helping others.

Chaplains are full of compassion, sensitive and caring, devoted to helping others. The force of this compassion can not leave those souls in the sad condition in which they are found. It moves the Chaplain to do something to change the situation.
